- 6.2. The Special Seeding shall be a seeding position at an ITTF ranking competition, as determined by the player's average ITTF World Rankings position during the first three (3) months of his/her injury. The Special Seeding shall be for entry into the main draw or qualifying stage.
- 6.3. If a player is physically injured, sick or pregnant and does not compete in any table tennis event for a period of at least six (6) months but less than twelve (12) months, the Special Seeding shall be in effect for the first three (3) singles and doubles tournaments that the player competes in using the Special Seeding or for the period up to six (6) months beginning with the first table tennis event that the player competes, whichever occurs first.

A maximum of two (2) “freezes” are allowed during the six (6) or nine (9) month period.
- 6.7. **Special Seeding for different age group players.** Under 21, junior and cadet age group players might get special seeding positions for certain major ITTF Sanctioned or World title events in case the player does not compete at a minimum of five (5) competitions within the appropriate age group he/she wants to get the special seeding.
