

International Table Tennis Federation

2020 World Ranking Regulation

In effect from 1st January 2020

Contact: rankings@ittf.com

1. General concepts	3
2. Events eligibility	3
3. ITTF World Ranking Principles	5
4. Incidents and penalties	9
5. Seeding protection	11
6. Special Seeding for non-Senior events	12
7. Retiring from the international Table Tennis competitions	13
8. Contact and regulation	13
9. Point tables	14

1. General concepts

- 1.1. The ITTF World Ranking is the objective merit-based method used for determining seeding and selecting players at ITTF competitions.
- 1.2. The ITTF World Ranking lists are published on a monthly basis, 12 times per year.
- 1.3. The ITTF World Ranking is published for both men and women, when applicable, for the following age categories and types:
 - Senior Singles
 - Senior Teams
 - Senior Doubles Pairs
 - Senior Doubles Individuals
 - Senior Mixed Doubles Pairs
 - Senior Mixed Doubles Individuals
 - Under 21 Singles
 - Junior Singles
 - Junior Teams
 - Cadet Singles
- 1.4. Players and pairs are included in Singles, Doubles Pairs and/or Doubles Individuals rankings when these two conditions are fulfilled:
 - 1.4.1. The player or pair is eligible for the age category of the list, according to the following rules:
 - **Senior:** all players and pairs
 - **Under 21:** born in 1999 or later
 - **Junior:** born in 2002 or later
 - **Cadet:** born in 2005 or later
 - 1.4.2. The player or pair has non-expired points, according to the expiration rules explained in point 3.5, awarded at ITTF World Ranking included events for the age category of the list.
- 1.5. National Associations are included in Team rankings when at least one of their representing players is included in the corresponding age category Singles list according to point 1.4.

2. Events eligibility

- 2.1. The following events are automatically included in the ITTF Calendar and ITTF World Ranking:
 - Olympic Games
 - Youth Olympic Games
 - ITTF World Championships

- ITTF World Team Championships
- ITTF World Junior Championships
- ITTF World Cup
- ITTF Team World Cup
- ITTF World Tour Grand Finals
- ITTF World Tour
- ITTF Challenge Series
- ITTF World Junior Circuit
- ITTF World Cadet Challenge
- Continental Championships
- Continental Junior Championships
- Continental Team Championships
- Continental Junior Team Championships
- Continental Cups
- Continental Games
- Multi-Sport Games where Table Tennis is a core sport

2.2. Any event not included in point 2.1 can apply for ITTF Calendar and ITTF World Ranking inclusion under these conditions:

2.2.1. The event must be of one of these kinds:

- Regional event sanctioned by a Regional Association
- International Open Event

2.2.2. The event must have the following characteristics:

2.2.2.1. The event is organized according to the ITTF rules.

2.2.2.2. The event has both men and women gender categories.

2.2.2.3. There is a minimum participation of 5 National Associations per gender, age category and event type, unless the event takes place in North America or Oceania, where the minimum participation must be of 3 National Associations.

2.2.2.4. The event is not similar in nature or a duplication of an ITTF organized event, unless the consequence of the conflict is negligible.

2.2.2.5. Event dates do not clash with an ITTF organized event in the same Continent, unless the consequence of the conflict is negligible.

2.2.2.6. Entries to the event can only be made through National Associations.

2.2.2.7. Entries to the event are not restricted to any group of players except age category groups and, in case of Regional events, nationalities.

2.2.3. The organizer must submit the official application form, which can be found online at <https://ittf.com/rankings>, at least 4 months before the event start date.

- 2.2.4. An invoice corresponding to an application fee of US\$ 2.000 must be paid by direct bank transfer following the instructions given after fulfilling point 2.2.3.
- 2.2.5. Not later than 2 days after the end of the tournament, complete results and players' list must be sent by e-mail to rankings@ittf.com in the official format requested by the ITTF. Players' list must include family name, given name, association, gender and date of birth. Organizers must collect all the passport copies from the participating players who didn't compete at any ITTF World Ranking event before and send them in a scanned format together with the results and players' list. In case of late or incomplete result delivery, inclusion of the event in the ITTF World Ranking shall be delayed maximum one month, until the next World Ranking release.
- 2.3. The ITTF Executive Committee has the right to accept or decline any applications for inclusion regardless of the conditions in point 2.2.
- 2.4. Any event not included in point 2.1 and not applying under the conditions in point 2.2, can apply for ITTF Calendar inclusion under the following conditions:
- 2.4.1. Entries to the event can only be made through National Associations.
- 2.4.2. The organizer must submit the official application form, which can be found online at <https://ittf.com/rankings>, at least 2 months before the event start date.

3. ITTF World Ranking Principles

- 3.1. Each ITTF World Ranking included event awards points to each player or pair for one or more of the published lists enumerated in point 1.3, except for Senior Teams and U18 Teams, which do not have a direct allocation.
- 3.2. ITTF World Ranking points are awarded in ITTF World Ranking included events, depending on the event format, for one or more of these:
- The final position
 - The round where the player or pair lost
 - Round-robin qualification matches wins
 - Singles wins in team matches
 - Participation
- 3.3. Each event included in the ITTF World Ranking is of one and only one of these types:
- Olympic Games
 - World Table Tennis Championships
 - World Team Table Tennis Championships
 - World Cup
 - Team World Cup
 - World Tour Grand Finals

- T2 Diamond
 - World Tour Platinum
 - World Tour
 - Challenge Plus
 - Challenge
 - World Junior Circuit Golden
 - World Junior Circuit Premium
 - World Junior Circuit Regular
 - World Cadet Challenge
 - Continental Championships
 - Continental Team Championships
 - Continental Cup
 - Continental Games
 - Multi-Sport Games
 - Other event
- 3.4. Each event in the ITTF World Ranking has an inclusion date, which determines the first World Ranking lists in which the awarded points are considered for the calculation. Inclusion might be exceptionally postponed due to results availability issues, technical issues or any other unexpected reason.
- 3.5. Awarded ranking points in an event are included in 12 consecutive World Ranking lists before expiring, except for the following event types which are valid until the inclusion of the next edition of the same event type:
- World Table Tennis Championships
 - World Team Table Tennis Championships
 - World Cup
 - Team World Cup
 - World Tour Grand Finals
 - Continental Championships
 - Continental Team Championships
 - Continental Cup
- 3.6. The amount of points allocated for each player or pair in an event is determined by the World Ranking type of the event, the year when the event took place, the age category and the result, according to the point tables at clause 9 of this regulation, with the following considerations:
- 3.6.1. For events with both Teams and Singles competitions, singles win points in team matches count together with the points from the singles result as a sum for the following event types and age categories:
- Olympic Games
 - Continental Games
 - All Junior and Cadet events
- 3.6.2. Continental Team Championships points for Senior age category count separately from Continental Singles Championships, with a maximum of 8

singles wins in team matches and including qualification stages matches if existing.

- 3.6.3. Continental Championships, Continental Team Championships and Continental Cup events points are and will be allocated differently for each Continent, having a correspondence between the regulation and the organizer naming for rounds or results. The decision will be taken and communicated by the World Ranking Group, if deemed necessary, based on the effective playing system with the goal of avoiding continental advantages/disadvantages.
- 3.6.4. For singles events, any seeded player having a bye in the first round and losing in the second round shall be awarded the points corresponding to the loser of the first round.
- 3.6.5. For events with points allocated for round-robin matches, players progressing to the knock-out stage shall not receive round-robin matches points but only points allocated for the final position or the round where they lose.
- 3.6.6. Players or pairs participating in an event and not obtaining any points shall receive the Participation points.
- 3.6.7. Points shall be awarded to players or pairs playing at least one match in the event, except for Participation points under the conditions of point 4.6.
- 3.7. Each of the ranking lists enumerated in point 1.3 is calculated by ordering the players, pairs and teams based on their ranking points, which are calculated in the following way:
 - 3.7.1. **Singles, Doubles and Mixed Doubles:** the total amount of points for each player or pair is obtained summing up the points from their best non-expired results. Depending on the age category:
 - **Senior:** best 8 results + T2 Diamond events
 - **Under 21:** best 6 results
 - **Junior:** best 5 results
 - **Cadet:** best 5 results
 - 3.7.1.1. The following restrictions apply when selecting the best results:
 - 3.7.1.1.1. Maximum 3 events of type T2 Diamond shall be added to the best player results for Senior
 - 3.7.1.1.2. Maximum one event of type Multi-Sport Games shall be counted in the best player results.
 - 3.7.1.1.3. Maximum one event from the following event types shall be counted in the best player results:
 - Continental Championships
 - Continental Team Championships

- Continental Cup

3.7.1.1.4. All the player or pair penalties, according to section 4, are included in their best results, replacing the lowest points results.

3.7.2. **Teams:** the total amount of points for each National Association is calculated summing all the points achieved on a virtual simulation that opposes all the teams in a round-robin basis.

Each virtual team match between two teams awards:

- Winner: 2 ranking points
- Loser: 0 ranking points
- Tie: 1 ranking point for each team

The winner and loser or tie condition of each virtual team match is determined using the following playing system:

- A vs X
- B vs Y
- C vs Z
- A vs Y
- B vs X

Where A, B, C (Team M) and X, Y, Z (Team N) are the top 3 players of M and N National Associations according to the Singles World Ranking list calculated as described in point 3.7.1. Players must be eligible for World Title events to be considered for the simulation. National Associations with 1 or 2 eligible players shall have their virtual team completed with 0 ranking points players.

Each of the virtual singles matches is evaluated comparing the Singles World Ranking points of the two players. Given players A and X:

- A has more ranking points than X: team M gets one point
- A has fewer ranking points than X: team N gets one point
- A and X have the same ranking points: no points for either team

3.8. When the ITTF World Ranking is used for qualification or seeding purposes, the following rules apply regarding ordering and tiebreaking depending on the event kind:

3.8.1. **Singles:**

- Players are ordered comparing their ranking points, with any special seeding modification according to point 5.
- If any players are tied, they are ordered comparing the previous month ranking position.
- If any players are still tied, the position on the month before is compared and so on until the tie is broken.

- If any players are still tied, the Competition Manager and/or Competition Director shall decide based on fairness and equality principles depending on the event characteristics.

3.8.2. Doubles and Mixed Doubles:

- Pairs are ordered based on the highest number of ranking points between the Doubles Pairs ranking and the sum of the players' Doubles Individuals ranking. Pairs with 0 points either way are positioned after the rest and ordered based on the sum of singles ranking points.
- If any pairs are tied, the previous month points are compared.
- If any pairs are still tied, the sum of the singles ranking points of the players is used to order them.
- If any pairs are still tied, the Competition Manager and/or Competition Director shall decide based on fairness and equality principles depending on the event characteristics.

3.8.3. Teams:

- Teams are ordered based on their ranking points.
- If any teams are tied, they are ordered based on the ranking points achieved only in the matches involving the tied teams.
- If any teams are tied, they are ordered based on the singles points average in the matches involving the tied teams.
- If any teams are still tied, they are ordered based on the total amount of points won in the virtual singles matches composing each of the virtual team matches against all the teams in the complete simulation.
- If any teams are still tied, the Competition Manager and/or Competition Director shall decide based on fairness and equality principles depending on the event characteristics.

4. Incidents and penalties

- 4.1. A penalty is a player or pair result in an ITTF organized event, valid for 12 consecutive ranking lists, awarding 0 points and being always considered as one of the best player or pair results as of point 3.7.1.1.3, unless revoked according to the conditions enumerated in point 4.4.
- 4.2. Penalties are determined by the World Ranking Manager and/or World Ranking Group based on the report filed by the Competition Manager on site and the medical reports or any other proof provided by the players if any of the conditions in point 4.3 are met. The decision shall be made interpreting the regulation if needed, applying fairness and equality principles.
- 4.3. Penalties are given for the following reasons:
 - 4.3.1. Official cancellation from an event sent by the National Association or coach for a player or after the cancellation deadline, except when:

- 4.3.1.1. A penalty has already been given for the same player or pair for the same reason 7 days or less before.
 - 4.3.1.2. In non-invitational events, when a medical report that justifies the player absence is provided and the player does not compete at any other event at the same time.
 - 4.3.1.3. In invitational events, when there are more than 7 days between the cancellation deadline and the start of the competition, and there is a possibility to replace the player with a reserve player or pair.
 - 4.3.1.4. In invitational events, when a medical report that justifies the player absence is provided 3 or more days before the start of the event and the player does not compete at other event at the same time.
 - 4.3.2. A player or pair does not show up at an event, except when a medical report that justifies the player absence is provided and the player does not compete at any other event.
 - 4.3.3. A player or pair withdraws during an event, except when the player or a player in a pair is injured or sick and unable to compete.
 - 4.3.4. A doubles pair withdraws during an event because of an injury or sickness, but the injured or sick player plays upcoming matches in other events at the same competition. Penalty is applied to the doubles pair.
 - 4.3.5. Any other reason if the World Ranking Manager and/or World Ranking Group decides it is sanctionable after evaluating the Competition Manager report and applying fairness and equality principles.
- 4.4. Penalties shall be revoked if one of these conditions are met:
 - 4.4.1. The penalty was given in an event of type World Tour or World Tour Platinum and the player or pair competes in 5 or more World Tour or World Tour Platinum events after the event where the penalty was given.
 - 4.4.2. The penalty was given in an event of type different from World Tour or World Tour Platinum, in Senior or Under 21 age categories, and the player or pair competes in 6 or more events of type World Tour, World Tour Platinum, Challenge or Challenge Plus after the event where the penalty was given.
 - 4.4.3. The penalty was given in a Junior or Cadet age category event and the player competes in 3 or more events of type World Junior Circuit Golden, World Junior Circuit Premium or World Junior Circuit Regular after the event where the penalty was given.
- 4.5. In cases when a player or pair is given a penalty for a certain event, having played at least one match in it and having achieved ranking points, the points shall be retained as an extra result apart from the penalty.

- 4.6. Participation points are given to a player or pair if any of these conditions are met:
- 4.6.1. Player or pair is on site but gets injured or sick before the start of the event, and it is not the second or more consecutive event being present and not playing any match. In case of a pair, the non-injured player must show up in the call area or at the Competition Manager desk before any match where they are walking-over.
 - 4.6.2. A player or pair gets injured or sick in an event after playing at least one match in one of the other sub-events where the player or pair is competing. In case of a pair, the non-injured player must show up in the call area or at the Competition Manager desk before any doubles match where they are walking-over.

5. Seeding protection

- 5.1. Seeding protection is the right of the players to keep, for a limited period, a certain amount of ranking points, which shall be used for seeding in ITTF World Ranking included events.
- 5.2. Seeding protection may be requested by the National Association of a player if all these conditions are fulfilled:
 - 5.2.1. The player is injured, sick, pregnant or under any other circumstances that prevent him/her from competing in table tennis events.
 - 5.2.2. The player is not able to compete in any table tennis event, including leagues or exhibitions, for a minimum of 6 months.
- 5.3. Seeding protection must be requested, within 6 months after the last event where the player competed, by filling out and sending the form present at <https://ittf.com/rankings/> to rankings@ittf.com.
- 5.4. The seeding protection duration, that is, the number of events or period when special seeding is applied to a player with seeding protection, is determined by the duration of the player absence applying the following rules:
 - 5.4.1. Between 6 and 12 months: 3 singles and doubles events or up to 6 months after the start date of the first event where the player competes after the absence, whichever occurs first.
 - 5.4.2. Between 12 months and 18 months: 5 singles and doubles events or up to 9 months after the start date of the first event where the player competes after the absence, which occurs first.
 - 5.4.3. More than 18 months: seeding protection is expired and special seeding shall not be applied.

- 5.5. **Re-injury Protection.** The National Association of a player who has returned to competition and gets injured again may request a freeze of the seeding protection for the remaining events and time at the moment of the injury. To be eligible for the freeze, the player must be out of competition for a minimum of 3 months. Upon the player's return to competition he/she shall have the same number of events and period remaining as were available when the freeze went into effect. A maximum of 2 freezes are allowed during the seeding protection period.

6. Special Seeding for non-Senior events

- 6.1. Under 21, Junior and Cadet players may get special seeding positions for Youth Olympic Games, World Junior Table Tennis Championships or other major non-Senior ITTF World Ranking events, if the player fulfills the following conditions depending on the age category of the event:
- 6.1.1. **Under 21:** the player has 3 or less non-expired results valid for the Under 21 Singles ranking and player is ranked in top 40 of the Senior Singles ranking.
 - 6.1.2. **Junior:** the player has 3 or less non-expired results valid for the Junior Singles ranking and the player is ranked in the top 30 of the Under 21 Singles ranking or in the top 100 of the Senior Singles ranking.
 - 6.1.3. **Cadet:** the player has 3 or less non-expired results valid for the Cadet Singles ranking and the player is ranked in the top 30 of the Junior or Under 21 Singles ranking, or in the top 100 of the Senior Singles ranking.
- 6.2. The National Association of a player who fulfills the conditions of point 6.1 must fill out and send the corresponding form, which can be found at <https://ittf.com/rankings/> to rankings@ittf.com, not later than 31 days before the start of the event or the entry deadline for the event where the special seeding is desired.
- 6.3. Special seeding for players fulfilling the conditions of point 6.1 can be applied by the World Ranking Group, if deemed necessary, with the purpose of ensuring a fair seeding at an event, regardless if a request was received from their National Association.
- 6.4. The special seeding points, if assigned to a player in an event, are calculated in the following way depending on the number of non-expired results that the player has for the age category of the event:
- 6.4.1. **No results:** 75% of the sum of the ranking points from the best 5 results in higher age categories.
 - 6.4.2. **1 result:** Ranking points in the Singles ranking list of the age category of the event + 75% of the sum of the ranking points from the best 4 results in higher age categories.

6.4.3. **2 results:** Ranking points in the Singles ranking list of the age category of the event + 75% of the sum of the ranking points from the best 3 results in higher age categories.

6.4.4. **3 results:** Ranking points in the Singles ranking list of the age category of the event + 75% of the sum of the ranking points from the best 2 results in higher age categories.

7. Retiring from the international Table Tennis competitions

7.1. The National Association of any player wishing to officially retire from international Table Tennis competitions must submit a signed request to rankings@ittf.com. Once the request is received, the player shall stop being included in any upcoming ITTF World Ranking list.

8. Contact and regulation

8.1. The ITTF World Ranking and all its applications are regulated by the most updated version of the World Ranking Regulation.

8.2. The main contact medium for any ranking matters shall be the e-mail address: rankings@ittf.com.

8.3. In case of disputes, cases that fall out of the regulation or any needed interpretation, the following parts oversee, in order of priority:

- **ITTF World Ranking Manager:** Javier Angulo Luceron
- **ITTF World Ranking Group:**
 - ITTF President: Thomas Weikert
 - Competition Director: Vicky Eleftheriade
 - Technical Commissioner: Graeme Ireland
 - CEO's Office - Projects Director: Iulia Necula
 - World Ranking Manager: Javier Angulo Luceron
 - Athletes Commission Representative: Jean-Michel Saive
 - Athletes Commission Representative: El-Sayed Lashin
