1. BASIC PRINCIPLES

- 1.1. The ITTF Table Tennis World Ranking is the objective merit-based method used for entries and seeding at ITTF and WTT events.
- 1.2. The ITTF Table Tennis World Ranking is composed of the following lists:
 - **Men's Singles**
 - **Women's Singles**
 - **Men's Doubles Pairs**
 - **Women's Doubles Pairs**
 - **Men's Doubles Individuals**
 - **Women's Doubles Individuals**
 - Mixed Doubles Pairs
 - Mixed Doubles Individuals
- 1.3. Ranking lists are published on a weekly basis on Tuesdays.
- 1.4. Ranking lists are published for the Senior age category.
- 1.5. Players and pairs are ranked when having non-expired points awarded at sanctioned events.
- 1.6. Each ranking list consists of a list of players or pairs sorted by descending number of points. In case of ties, for presentation, entries selection and seeding, players and pairs are sorted by:
 - The player or pair with fewest results.
 - If still tied, the player or pair with the result with the greatest number of points.
 - If still tied, the player or pair with the best result in WTT Grand Smash events.
 - If still tied, the player or pair with the best ranking in the previous week.
 - If still tied, the youngest player or pair.
 - If still tied, randomly sorted by the ranking calculation software.
- 1.7. Ranking points are awarded at any sanctioned events.
- 1.8. Awarded points have a validity of 1 year, expiring next year on the same week on which they were included in the ranking. After expiring, they are no longer eligible to be included in the ranking record of a player or pair.
- 1.9. The ranking of a player or pair is composed of the sum of the points of the 8 non-expired results with the greatest number of points, with the following restriction:
 - 1.9.1. Maximum one result counts for the ranking from events which have any entries restriction by nationality.
- 1.10. Initial ranking points and transition formula from the 2020 December ITTF World Ranking are described in point [6.11](#).

4. ENTRIES, INCIDENTS AND PENALTIES

- 4.3. Penalties are proposed by the World Ranking Manager and approved by the World Ranking Group based on the report filed by the ITTF Competition Manager or the WTT Event Supervisor on site, evaluating any additional medical reports or proof provided by the involved players and/or their respective National Associations. The decision shall be made interpreting the regulation if needed, applying fairness and equality principles.
- 4.4. Penalties are applied on the following lists depending on the competition:
 - 4.4.1. Singles: Singles ranking list
 - 4.4.2. Doubles / Mixed Doubles: corresponding Pairs list and Individual list for each of the players deemed responsible for the penalty reason.
- 4.5. Entry cancellations after the cancellation deadline at sanctioned events, including automatic entries as of point [4.1](#), shall imply:
 - 4.5.1. No ranking points awarded.
 - 4.5.2. No prize money awarded.
 - 4.5.3. Penalty as of point [4.2](#) for:
 - 4.5.3.1. WTT Grand Smash and WTT Champions events.
 - 4.5.3.2. For all other events, the first 2 cancellations in any one-year period will not incur a penalty, but third and subsequent cancellations will incur a penalty.

 - 4.6.1. Points awarded for losing in the previous round in which the incident occurred.
 - 4.6.2. Prize money awarded for losing in the previous round in which the incident occurred.
- 4.7. Consequences of the incidents of points [4.5](#) and [4.6](#) shall be waived for the following reasons:

 - 4.7.2.1. If an Event Doctor is in place: on the same day, signed by the Event Doctor.
 - 4.7.2.2. If an Event Doctor is not in place: in the next 48 hours after the incident, signed by a qualified doctor.

- 5.2. Ranking protection shall be applied to the Singles, Doubles Individuals and Mixed Doubles Individuals competitions based on the corresponding ranking lists.
- 5.3. Ranking protection may be requested by the National Association of a player if the player is injured, sick, pregnant or under any other circumstances that prevent him/her from competing in table tennis events, including sanctioned and non-sanctioned events, leagues or exhibitions, for a time between 6 and 18 months.
- 5.4. The ranking protection must be requested within 6 months after the last sanctioned event where the player competed, by filling out and sending the form at <https://ittf.com/rankings> to rankings@ittf.com.
- 5.5. The ranking protection duration, that is, the number of events or period when the entry and seeding using the protected ranking is applied, **is determined by the duration of the player's absence** as:
 - 5.5.1. Between 6 and 12 months: 3 events or up to 6 months after the start date of the first sanctioned event where the player competes after the absence, whichever occurs first.
 - 5.5.2. Between 12 and 18 months: 5 events or up to 9 months after the start date of the first sanctioned event where the player competes after the absence, whichever occurs first.
- 5.6. In the case of a player who returns to competition after an absence and gets injured again having a protected ranking status, a freeze of the status at that moment may be requested up to two times during the protection. The player's **absence** must be of at least 3 months, after which the player would continue with the original protection and remaining months and events.
